CLASS – II WINTER BREAK ASSIGNMENT

Dear Parent,

Season's Greetings!

Holidays are an integral part of a student's life. It's a time for fun, a time to explore and a time to learn in different ways. When holidays are given a meaningful direction, it results in a productive and enjoyable time. Let's use these holidays to pursue some hobbies and apply our minds creatively to learn new things and to bring a new change in the environment in our own individual way.

Instructions:-

- ✓ Take the help of your parents when necessary.
- ✓ The written part should be neatly presented in your own handwriting.
- ✓ Do reading and writing practice daily.

Keeping the children safe is of paramount importance and we have things to do and avoid for the protection of children during the winter season.

Winter season is back and so is the season of cold and cough. Children can fall prey to the wrath of the winter season. Hence, providing protection and taking care of them right from the start is essential whenever you are taking them out.

Kindly bring the WINTER BREAK ASSIGNMENT duly completed on the first working day after holidays.

NOTE: All the written work must be done in a separate file/ folder (Design the cover page of your file/ folder of winter break assignment).

ENGLISH

- **Reading not only helps to read but also opens our imagination. Use your days by reading any five stories from the famous book “Akbar and Birbal” Draw any one of your favourite character from the stories. Write 5 adjectives about the character and moral of the story. Utilize your days reading stories from the given link (<https://chimesradio.com/best-podcasts/akbar-birbal-stories/>)**
- **Write one page in your cursive writing book 'Cursive Strokes' every day (start from page no. 31) in a neat and beautiful handwriting to improve the letter formation and showing creativity in your writing.**
- **Visit any Museum or Monument with your parents. Explain your learning in 13-15 lines.**
- **Revise all the work done in class (L-4, 5 and 17 in grammar.)**
- **Read English newspaper daily and write atleast 10 newspaper headlines.**

MATHEMATICS

- **Make a division machine with the help of thermocol, colourful sheets, disposal glasses, sketch pens, scissor and fevicol.**
