**Dear Parent,**

**Season's Greetings!**

Holidays are an integral part of a student's life. It's a time for fun, a time to explore and a time to learn in different ways. When holidays are given a meaningful direction, it results in a productive and enjoyable time. Let's use these holidays to pursue some hobbies and apply our minds creatively to learn new things and to bring a new change in the environment in our own individual way.

**Instructions:-**

- ✓ Take the help of your parents when necessary.
- ✓ The written part should be neatly presented in your own handwriting.
- ✓ Do reading and writing practice daily.
- ✓ Go through the chapters and attempt the worksheets.

Keeping the children safe is of paramount importance and we have things to do and avoid for the protection of children during the winter season. Winter season is back and so is the season of cold and cough. Children can fall prey to the wrath of the winter season. Hence, providing protection and taking care of them right from the start is essential whenever you are taking them out. Kindly bring the WINTER BREAK WORKSHEETS duly completed on the first working day after holidays.
