CLASS – I WINTER BREAK ASSIGNMENT

Dear Parent,

Season's Greetings!

Holidays are an integral part of a student's life. It's a time for fun, a time to explore and a time to learn in different ways. When holidays are given a meaningful direction, it results in a productive and enjoyable time. Let's use these holidays to pursue some hobbies and apply our minds creatively to learn new things and to bring a new change in the environment in our own individual way.

Instructions:-

- ✓Take the help of your parents when necessary.
- ✓The written part should be neatly presented in your own handwriting.
- ✓Do reading and writing practice daily.

Winter season is back and so is the season of cold and cough. Children can fall prey to the wrath of the winter season. Hence, providing protection and taking care of them right from the start is essential whenever you are taking them out.

Kindly bring the WINTER BREAK ASSIGNMENT duly completed on the first working day after holidays.

Q1. Read the following passage and answer the given questions in one word.

In the sky, you can see the sun, stars, and the moon. The sun is up during the day. It is very hot. The sun gives us light and heat. Plants need the sun to grow. We can see the stars at night. They give off light and heat, like the sun. That is because the sun is a star, too! There are more stars than we can count. Some people see shapes in the stars. A group of stars that make a shape is called a constellation. The moon is out at night. Sometimes we can still see it during the day! It does not give off light and heat.
